County Clean Ups Begin April 5, 2008

PRINCE WILLIAM COUNTY, VA . . . Prince William County's Department of Public Works' Neighborhood Services Division announces the County Clean Up schedule. Beginning on Saturday April 5, 2008 and continuing on the first Saturdays of each month through October, the County Clean Ups help residents dispose of trash and items that are not picked up in regular trash collections. Open-top containers are brought to locations around the county where Public Works' staff is available to assist residents with placing items into dumpsters. Hazardous materials cannot be accepted. The clean ups run from 8:00am to 2:00pm.

On April 5, the dumpsters will be at the Boys and Girls Club at 5070 Dale Boulevard, Woodbridge, VA 22193. Because many residents do their "spring cleaning" in April, a second date has been set for April 12 at Marumsco Plaza. The May 3 County Clean Up will be in the Irongate/Westgate area, June 7 at Sudley Elementary and June 14 in the Town of Quantico. Flyers are available for distribution in your neighborhood. For flyers, dates for the remainder of the clean ups and specific locations, please contact Neighborhood Services at 703-792-7018 or visit www.pwcgov.org/junk.

County Clean Ups are sponsored by Prince William County Department of Public Works, with assistance from American Disposal Services. Prince William County urges residents to take advantage of this opportunity to throw away unused, unwanted and improperly stored items. Support the campaign to make Prince William the cleanest County in Virginia!
